# Let's Get 'Tee'd-Off' Together

We would like to take this opportunity to invite you to the

## 7th Annual 'Tee'd-Off at Breast Cancer' Golf Tournament,

to be held Monday, July 20, 2009 at Shadow Lake Golf Club.

We understand everyone is dealing with a difficult economy and we want you to know we honestly appreciate your support of our services to local women and families who have been touched with a breast cancer diagnosis. We would consider it an honor to have you come along side us as a sponsor, prize donor, or golf participant. While we know you realize how important your contribution is in building for the future of this organization, please remember that as long as there are women who need our services we will be here.

Breast cancer does not play favorites – it affects your mother, your sister, your aunt, your co-worker, your neighbor, any woman you know, and you are never quite prepared for that diagnosis.

What began as a grass roots effort by courageous women has become one of the most influential and positive forces in our local community.

We are, at present, the only independently operated organization focused specifically on Breast Cancer in the Greater Rochester Region. Please consider helping us with our mission on behalf of all the women you know.

Breast cancer is the second leading cause of death in women and the number one cause of death among women ages 25-54. New York State reports more than 13,000 new cases and 3,400 deaths each year, with Monroe County ranking among the highest in the number of new incidences. Each year, we lose more women to this vicious disease.

***We look forward to the day no woman has to hear  
the words, "you have breast cancer" again!***

Thank you for your kind consideration to support this event.

***All funds raised for the benefit of BCCR remain  
in our local community.***

We have a great time and we sincerely hope to see you on the greens!

Holly Anderson  
Executive Director  
Breast Cancer Coalition of Rochester
