

Breast Cancer Coalition of Rochester
2017 Heart & Hands Award

Call for Nominations

In honor of Laurie Pask, RN, the Breast Cancer Coalition is seeking nominations for the Laurie Pask Heart & Hands Award. This annual award will be presented at the ARTrageous Affair Gala on October 14, 2017. We have commissioned a local artist to design this award which will be given to the care provider whose work best exemplifies the balance of kindness, compassion, respect and science that Laurie demonstrated while providing care to her own patients. It is our intent that this award will enable Laurie's spirit of passion, hope and joy to live on.

On the next page, please answer the questions concerning care, provider kindness, compassion, respect, and evidence-based medicine. You are welcome to add supporting comments consisting of 400 words or less. Thank you!
