

BRIAN RILEY

VICE CHAIR - STRATEGIC PLAN

Brian became involved with the Breast Cancer Coalition of Rochester after providing pro bono but professional counsel on a number of legal and fundraising issues, including a presentation at a Board of Directors retreat. This is service for which he is well-equipped as a lawyer with the Rochester-based law firm of Gallo & Iacovangelo. Since 2016, he has served as the vice chair of the Board and chair of the Strategic Planning Committee. His efforts on behalf of the Coalition are driven by the outstanding support the Coalition gives to those who have been touched by breast or gynecologic cancer, and because of the family and friends he knows who have been personally affected.
