

DEBRA RIVERA

CPA - TREASURER

In the early years of the Breast Cancer Coalition of Rochester, Debbie assisted with accounting and tax filing needs. Years later, she inquired as to how she could volunteer on a more regular basis. That led to her service on the finance committee and then, beginning in 2015, on the Board of Directors as treasurer. As a CPA and principal in the Bonadio Group's Small Business Advisory Group, Debbie's professional expertise and attention to detail have helped to guide the Coalition. Her dedication, though, also comes from her personal experience, as her mother is a more than 20-year survivor of breast cancer.
